Please state chassis number with your order.

Dear LeMans62 Owner

Spring has definately arrived. Germany was under blue sky for all of March. Couldn't enjoy much of it, since I was „under the weather“ for almost 2 weeks, even the fags didn't taste anymore.

Now I'm back on stage and hope to put more milage (still unable to read) on the clock. My car is still illegal for German road use, MMC has not come up yet with a solution. Anyway, the top is down and the Brooklands up, I'm ready to fly.

But how about you? I'd really appreciate the one or other report, or at least some photos which we can share with the Register members.

The Register Badge is in production, I had to order 50 and hope for them to find a good home. Orders taken any time.

My latest project is a combined cloth and embroidery image of a LM62 which can be personalized with your registration number. Size is for chest application on a sweatshirt or on the back of any other garment. I watched the embroiderer doing it, it is a piece of art.

Happy Sixtytwoing

Peter

PS: Just got a mail from MMC - They will send me a set of 195 60 15 tyres on 6 x 15" wheels. It took them 5 months to make this decision.

What do YOU think!
